SHARE CAPITAL, WITHDRAWAL AND CIRCULATION OF SHARES

Article 5: share capital

5.1 The share capital amounts to € 9,650,526.24 (nine million six hundred and fifty thousand five hundred and twenty-six and twenty-four cents), subdivided into 80,421,052 (eighty million four hundred and twenty-one thousand fifty-two) shares having a nominal amount of € 0.12 (twelve cents) each.

On 28 April 2016 the company's extraordinary Shareholders' Meeting resolved, pursuant to article 2349 of the Italian Civil Code, to authorise a free share capital increase, in tranches, to service the 2016 Stock Grant Plan (the "2016 Plan"), which was approved by the company's ordinary Shareholders' Meeting on the same date and the Stock Grant Plans which may be approved by the Shareholders' Meeting in the future in relation to the years 2017, 2018 and 2019 ("2017-2019 Plans"). The free share capital increase is for a maximum nominal amount of € 49,920 (forty-nine thousand nine hundred and twenty), corresponding to a maximum of 416,000 (four hundred and sixteen thousand) ordinary shares of the company having a nominal amount of € 0.12 (twelve cents) each, and shall be completed by 30 June 2023, it being understood that the share capital shall be deemed to have increased by the amount equivalent to the subscriptions received and that the individual subscriptions, even partial, shall be effective immediately with simultaneous assignment of the shares and the associated shareholder rights.

The free share capital increase shall be funded using a restricted Reserve dedicated to the share capital increase to service the 2016 Plan and the 2017-2019 Plans. Such reserve shall amount to € 1,600,000 (one million six hundred thousand), as per the resolution adopted by the ordinary Shareholders' Meeting on 28 April 2016.

The shares underlying the free share capital increase shall give regular dividend entitlement and be issued in several tranches in accordance with the terms and conditions set out in the Regulation of the 2016 Plan and 2017-2019 Plans.

The Board of Directors is granted the powers necessary to increase the share capital - including the authority to sub-delegate such powers to its individual members - and specifically the power

to assign and issue the new shares to service the 2016 Plan and the 2017-2019 Plans, in accordance with the terms and conditions therein, and the power to make the relevant amendments to this article in order to adjust, over time, the value of the company's share capital.

At the date of completion of the foregoing increase, under the terms and conditions set out in the 2016 Plan and in the 2017-2019 Plans, the share capital shall be deemed to have increased by the amount corresponding to the shares issued.

5.2 The shares are issued in dematerialised form, are registered in the shareholder's name and are indivisible. The case of joint ownership is governed pursuant to the law.

5.3 Each share carries a voting right, save as provided for in paragraph 7 et seq. of this article.

5.4 The shares confer equal rights on their holders. The extraordinary Shareholders' Meeting can resolve to issue special categories of shares, establishing the form, means of transfer and the rights due to the holders of these shares, and also to individually assign to the employees of the company or of subsidiaries an amount corresponding to the profits granted to employees, pursuant to the provisions of art. 2349 paragraph 1 of the Italian Civil Code, in compliance with applicable regulations on remuneration and consistently with the company's remuneration and incentive policies.

5.5 With regard to contributions by shareholders or third parties other than contributions to the share capital, the extraordinary Shareholders' Meeting may resolve to issue financial instruments pursuant to article 2346 paragraph 6 of the Italian Civil Code, which consist of holding certificates providing the rights indicated in the issue resolution and which must be reported in these Articles of Association. These holding certificates may be transferable in accordance with the provisions of the issue resolution and with what may be stipulated in these Articles of Association.

The financial instruments under this article 5.5 may also be individually assigned to employees of the company or of subsidiaries pursuant to the provisions of article 2349 paragraph 2 of the Italian Civil Code, in compliance with applicable regulations on remuneration and consistently with the company's remuneration and incentive policies.

5.6 In the event of any paid increase in share capital, the option right due to shareholders may be excluded, within the limits of ten per cent of the existing share capital, provided that the issue price of the new shares corresponds to the market value of outstanding shares and that this is confirmed by an appropriate report of the company tasked with performing the audit.

5.7. In departure from paragraph 3 of this article, each share carries two voting rights if the following conditions are both satisfied: (a) the share has been held by the same shareholder, by reason of a right of entitlement to exercise the voting right (full ownership with voting rights attached or bare ownership with voting rights attached or usufruct with voting rights attached), for a continuous period of at least twenty-four months; (b) the satisfaction of the condition under point (a) above has been evidenced by continuous entry, for a period of at least twenty-four months, in the special list created pursuant to this article ("Special List") and by receipt of an appropriate communication from the intermediary on whose accounts the shares are registered pursuant to laws in force, confirming the ownership of the shares, as at the end date of the

continuous period of twenty-four months.

5.8 The acquisition of the benefit of increase in voting rights shall be effective as of the first to occur of the following dates: (i) the fifth trading day in the calendar month following that in which the shareholder meets the eligibility conditions set out in the Articles of Association to benefit from the increase in voting rights, or (ii) the so-called record date of the Shareholders' Meeting, determined in accordance with laws in force, after the date on which the shareholder meets the eligibility conditions set out in the Articles of Association to benefit from the increase in voting rights.

5.9 The company shall create and retain at the registered office a Special List, meeting the form and content requirements set out in the applicable provisions of law, in which any shareholder wishing to benefit from the increased voting rights shall be entered. To be entered in the Special List, the shareholders so entitled pursuant to this article shall submit a specific application together with a communication confirming the ownership of the shares - even referring solely to the portion of the shares for which the shareholders are requesting the increased voting rights - to be issued by the intermediary on whose accounts the shares are registered pursuant to laws in force. In the case of shareholders other than natural persons, the application should specify whether the entity is subject to direct or indirect control by third parties, as well as the details of the controlling company, if any.

5.10 The Special List is updated by the Company by the fifth trading day from the end of each calendar month and, in any event, by the record date provided for in current regulations governing the right to attend and vote at Shareholders' Meetings.

5.11 The Special List is subject to the rules governing the shareholders' register, insofar as applicable, including those applicable to the publication of information and the shareholders' right of inspection. The Special List shall also be subject to any other regulations that may be published by the Board of Directors on the company's website.

5.12. Save as provided for in paragraph 17 below, the company shall remove a shareholder from the Special List - with resulting automatic loss of entitlement to the increased voting rights - in the following cases: (i) full or partial waiver on part of the shareholder concerned; (ii) on receipt of a communication from the shareholder or from the intermediary, attesting the loss of the requirements to be eligible for the increase in voting rights or the loss of the right of entitlement to exercise the voting right and/or the associated voting rights; or (iii) as a matter of course, if the company becomes aware of circumstances that entail loss of the requirements to be eligible for the increased voting rights or loss of the right of entitlement to exercise the voting right and/or associated voting rights.

5.13 The benefit of the increased voting rights is lost: (a) in the case of transfer of the share, for valuable consideration or not, with "transfer" to be interpreted also as pledge, usufruct or other lien on the share where this results in the loss of the shareholder's right to vote. If only a portion of the shares with increased voting rights are transferred, for valuable consideration or not, the transferor shall maintain the increased voting rights for the remaining shares not transferred; (b) in the case of direct or indirect transfer of controlling interests in companies or entities that hold

shares with increased voting rights exceeding the threshold under article 120, paragraph 2 of Legislative Decree No. 58 of 24 February 1998.

5.14 Increased voting rights already accrued or, where not accrued, the period of ownership required to accrue the increased voting rights, shall be maintained in the case of: (a) succession, in the event of death, in favour of the heir and/or legatee; (b) merger or demerger of the owner of the shares, in favour of the company resulting from the merger or the beneficiary of the demerger; (c) transfer from one portfolio to another of the UCIs managed by the same entity; (d) pledge, usufruct or other lien, where the right to vote is retained by the pledger or bare owner; (e) transfer between companies belonging to the same group (i.e. subsidiaries, parents or companies subject to the same control).

5.15 The increase in voting rights is extended to shares (“New Shares”): (i) resulting from a free share capital increase pursuant to art. 2442 of the Italian Civil Code, to be allotted to the owner with reference to those shares for which the increase in voting rights has already accrued (“Original Shares”); (ii) to be allotted in exchange for the Original Shares in the case of merger or demerger, where provided for in the related project and in accordance with the provisions therein; (iii) subscribed by the owner of the Original Shares in exercising the option right on such shares as part of a share capital increase by way of new contributions.

5.16 In the cases set out in paragraph 15 above, the New Shares shall acquire the increased voting rights in the case of: (i) New Shares to be allotted to the owner with reference to those shares for which the increased voting rights have already accrued, effective as of the date of entry in the Special List, without the need to wait until an additional continuous holding period has elapsed; (ii) New Shares to be allotted to the owner with reference to those shares for which the increased voting rights have yet to accrue (but are accruing), effective as of the date of completion of the holding period, calculated from the date of initial entry in the Special List.

5.17 Shareholders entitled to the increase in voting rights may irrevocably waive their entitlement to the increased voting rights - wholly or in part - at any time by communicating this in writing to the company, it being understood that the increase in voting rights may be re-acquired for those same shares by way of re-entry in the Special List and completion of a new continuous holding period of not less than twenty-four months.

5.18 The increase in voting rights is also considered in the calculation of the quorums required for meetings and resolutions to be deemed valid linked to percentages of the share capital. The increase does not however affect rights, other than voting rights, which are due by reason of ownership of specific percentages of the share capital.

5.19 The concept of control referred to in this article shall be construed in accordance with the meaning given in the provisions of law governing listed issuers.

Article 6: withdrawal

Shareholders have the right to withdraw under the mandatory cases laid down by law. The right of withdrawal in the cases under art. 2437, paragraph two of the Italian Civil Code is expressly

excluded.

The terms and conditions of withdrawal are governed by art. 2437 bis of the Italian Civil Code.

Article 7: circulation of shares

The company's ordinary shares are freely transferable under current applicable regulations.

SECTION III

CORPORATE BODIES

Article 8: Shareholders' Meeting

8.1 The Shareholders' Meeting, duly constituted, represents all shareholders and its resolutions passed in compliance with the law and these Articles of Association are binding upon all shareholders, even if they are absent, abstaining or dissenting. The Shareholders' Meeting convenes in ordinary and extraordinary session in accordance with the law and these Articles of Association.

The manner in which the Shareholders' Meeting operates is laid down by appropriate regulations approved by resolution of the ordinary Shareholders' Meeting.

8.2 The ordinary Shareholders' Meeting is called at least once a year within 120 (one hundred and twenty) days from the closure of the financial year.

Moreover, the Shareholders' Meeting is called by the management body whenever it deems it necessary and appropriate and in the cases provided by law or, following written notification to the Chairperson of the Board of Directors, by the Board of Statutory Auditors or at least two of its members in accordance with applicable legal provisions. The Shareholders' Meeting is also legally convened by the Board of Directors when a request is made to do so by shareholders representing at least one twentieth of the share capital and where the request indicates the issues to be covered. The Shareholders' Meeting may not be called at the request of shareholders for issues on which the Meeting legally resolves at the proposal of the Directors, or for issues based on a project or report prepared by the Directors.

Finally, the Shareholders' Meeting is convened in other cases provided by law and these Articles of Association.

8.3 The Shareholders' Meeting is convened in the town where the company has its registered office or elsewhere provided this is in Italy, other members States of the European Union, Switzerland or in the United States of America.

8.4 The Shareholders' Meeting is convened according to the terms and conditions set forth by law and by the regulatory provisions applicable from time to time.

The notice of call must indicate the date, time, place of the meeting and the list of matters to be

discussed and other information and particulars as may be required by applicable law and regulations currently in force.

The Shareholders' Meeting is convened on single call, and is subject to the meeting quorum and the decision quorum established by law and these Articles of Association in such circumstances, unless the notice of call specifies any dates for subsequent meetings, including a third call.

Pursuant to the provisions of art. 126-bis of Legislative Decree no. 58 of 24 February 1998, the shareholders who, individually or jointly, represent at least one fortieth of the share capital, or a different smaller percentage of the share capital provided for by the regulations in force at the time, may, within a period of 10 (ten) days from the publication of the notice of call of the Shareholders' Meeting, unless a different period is provided under the law, request that the list of items on the agenda be supplemented, thereby indicating any further items, or present proposals for resolutions on items already on the agenda, within the limits and according to the methods provided for by the applicable laws and regulations. Whoever holds voting rights may individually submit resolution proposals to be debated at the Shareholders' Meeting.

After the agenda has been completed or subsequent proposals have been submitted to be discussed on the agenda, following the request for the agenda to be completed or proposals to be submitted as stated in the previous paragraph, notice is given, in the prescribed manner for the publication of the notice of call, at least 15 (fifteen) days prior to the one fixed for the Shareholders' Meeting to be held, unless a different period is stipulated by law. The additional proposed resolutions on matters already on the agenda are made available to the public within the terms and in the manner set forth by the law.

Additional proposals may not be made in regard to issues on which the Shareholders' Meeting legally resolves at the request of Directors or on the basis of a project or report prepared by them, other than in those cases indicated under art. 125-ter, paragraph 1, of Legislative Decree no. 58 of 24 February 1998.

8.5 Where the formalities set out under the previous paragraphs or any other formality required by law are not followed, the Shareholders' Meeting shall be deemed to be regularly convened and may validly resolve on any issue, unless this is opposed by a shareholder who is not sufficiently informed, when the entire share capital is represented and the majority of members of the Board of Directors and Board of Statutory Auditors are in attendance. Under these circumstances, timely notice should be given of the resolutions passed to members of the Board of Directors and Board of Statutory Auditors who are not in attendance.

8.6 The right to attend the Shareholders' Meeting and exercise voting rights is certified by a notice to the Company, sent by the intermediary authorised under the provisions of law and regulations, in accordance with its accounting records, in favour of the party entitled to vote. This notice is formulated on the basis of evidence from the accounts specified in art. 83-quater, paragraph 3, of Legislative Decree no. 58 of 24 February 1998, relating to the end of the accounting day of the seventh trading day prior to the date set for the Shareholders' Meeting. To this end, reference is made to the date of the single or of the first call of the Shareholders' Meeting, provided that the dates of any subsequent calls are included in the single notice of call

of the Meeting; otherwise, reference is made to the date of each call.

8.7 The persons entitled to attend and vote at the Shareholders' Meeting may be represented by another person or entity, including a non-shareholder, by means of a written proxy, within the limits and according to the methods stipulated by the law and applicable regulations. The proxy may be notified electronically via certified e-mail or using the special section of the Company website and other methods of notification as may be provided for in the notice of call, in accordance with applicable laws and regulations.

The company has the option to appoint a person for each Meeting to whom the shareholders may give a proxy with voting instructions for all or some of the proposals on the agenda in the manner provided by the law and applicable statutory regulations. The proxy is not effective with regard to proposals for which voting instructions have not been given.

8.8 Postal voting is also allowed.

Postal voting is exercised in the manner specified in the notice of call, in accordance with the applicable statutory provisions, using any means of communication (including fax and e-mail) proving receipt of such.

8.9 The Shareholders' Meeting may also be held with participants in multiple locations, either in the vicinity or at a distance, attending by means of audio and video connection (audio-only connection is allowed solely when the participants are easily recognisable by the Chairperson of the Shareholders' Meeting), provided that the collegial method and the principles of good faith and equal treatment of shareholders are observed. In this case, it is required that:

- a) the Chairperson of the Shareholders' Meeting is able to unequivocally ascertain the identity and right to attend of the participants, conduct the meeting and note and declare the results of the voting procedure;
- b) at the place where the video/audio conference is held, an attendance sheet should be kept giving the names of those attending the meeting at this place; this attendance sheet shall be attached to the minutes of the meeting;
- c) the person taking the minutes is able to adequately follow the events of the meeting;
- d) the participants are able to simultaneously take part in the discussions and vote on the items on the agenda in real time;
- e) where the Shareholders' Meeting is not held in plenary session, the notice of call shall indicate the locations where the video/audio conference is held and where the participants can attend. The meeting shall be deemed to have been held at the location where the Chairperson and the secretary or notary taking the minutes are in attendance.

The means of telecommunications shall be recorded in the minutes.

8.10 The Shareholders' Meeting is chaired by the Chairperson of the Board of Directors or, in the event of him/her being absent or incapacitated, by the Deputy Chairperson, if appointed, or any other person designated by the Board of Directors; otherwise, the Meeting appoints as Chairperson one of the participants by simple majority of the capital represented.

The Chairperson of the Shareholders' Meeting is assisted by a secretary designated by the Meeting, by simple majority of the capital represented and possibly by one or more tellers, including non-shareholders; where prescribed by law or where deemed appropriate by the management body, the functions of secretary are attributed to a notary designated by the latter.

The Chairperson of the Shareholders' Meeting is responsible for ensuring that the Meeting is properly convened, ascertaining the right of shareholders to take part and vote, noting the legitimacy of the proxies, guiding and managing the discussion and proceedings of the Meeting, establishing the method of voting and also ascertaining and declaring the related results. In this he/she may be assisted by appropriate appointees.

The Meeting sessions are run and governed by law, these Articles of Association and the Rules governing Shareholders' Meetings.

Article 9: convening, powers and resolutions of the Shareholders' Meeting

9.1 The ordinary and extraordinary Shareholders' Meeting is validly convened on single call, unless the notice of call states, apart from the initial one, the dates of other subsequent calls, including a possible third call pursuant to the provisions of the previous article 8.4, subsection three, of these Articles of Association, with the meeting quorum and the decision quorum established by law and these Articles of Association. The provisions of articles 10 and 17 of these Articles of Association shall apply with regard to the appointment of the Board of Directors and Board of Statutory Auditors.

9.2 The ordinary and extraordinary Shareholders' Meeting shall resolve on the issues attributed to it by law and these Articles of Association.

In particular, the ordinary Shareholders' Meeting approves the following, in addition to establishing the remuneration of the bodies it appoints: (i) the remuneration and incentive policies in favour of the members of the Board of Directors, the Board of Statutory Auditors and the remaining personnel; (ii) any remuneration plans based on financial instruments (for example stock options); (iii) the criteria for determining the fee to be paid in the case of early termination of the employment contract or early termination of office, including the limits set for this fee in terms of annual payments of fixed remuneration and the maximum amount deriving from their application.

The ordinary Shareholders' Meeting, at the time of approving remuneration and incentive policies, also resolves on any proposal to set a limit on the ratio between the variable and fixed remuneration of personnel at more than 100% (ratio of 1:1), but not exceeding the maximum limit of 200% (ratio of 2:1). In this case, the shareholders' resolution is based on a proposal of the Board of Directors, indicating at least: (i) the departments to which those persons affected by the decision belong, specifying for each department their number and those who are identified as "key personnel"; (ii) the reasons underlying the proposed increase; (iii) the implications, even in a forward-looking perspective, on the company's ability to continue to comply with all applicable prudential rules. The proposal of the Board of Directors is approved by the ordinary Shareholders'

Meeting when: (i) the Meeting is constituted with at least half of the share capital and the decision is passed by the favourable vote of at least 2/3 of the share capital represented at the Meeting; or (ii) the decision is passed by the favourable vote of at least 3/4 of the share capital represented at the Meeting, regardless of the share capital with which the Meeting is constituted.

9.3 The Shareholder's Meeting shall be provided with adequate information on the remuneration and incentive policies adopted by the company, and their implementation, as required by the laws and regulations from time to time applicable.

9.4 The Directors may not vote in resolutions regarding their responsibilities.

9.5 The resolutions of the Shareholders' Meeting are minuted and signed by the Chairperson and the secretary or notary.

Article 10: Board of Directors

10.1 The company is managed by a Board of Directors appointed by the Shareholders' Meeting and composed of a minimum of 7 and a maximum of 11 ~~9~~ members who:

- a) bring to the company the specific skills they possess;
- b) are aware of the tasks and responsibilities of their role and are in possession of the requirements set forth by law and regulations in force at the time;
- c) act and resolve with full knowledge of the facts and autonomously in pursuit of the aim of creating value for shareholders;
- d) only accept the position when they believe they are able to dedicate the time needed to diligently carry out their tasks, also being mindful of the number of positions of director or statutory auditor they have in other companies or bodies;
- e) keep the information acquired as a result of the office held as confidential.

10.1-bis In accordance with the need to ensure an adequate degree of diversification in the composition of the Board, in terms of skills, experience, age, international profile and gender, at least one third at least two fifths of the members of the Board of Directors must be of the least represented gender, with rounding up to the nearest whole number in the case of a fractional number.

10.2 Current laws and the provisions of these Articles of Association apply to the appointment, dismissal and replacement of members of the Board of Directors.

The Members of the Board of Directors are elected using the list system in which a minimum of three and maximum of eleven ~~nine~~ candidates must be listed in sequential order. The candidate at sequential number "1" of each list shall also be the candidate appointed as Chairperson of the Board of Directors.

Any shareholder, as well as shareholders belonging to the same group, parties to a shareholders'

agreement pursuant to article 122 of Legislative Decree no. 58 dated 24 February 1998, the entity controlling it, the entity by which it is controlled and the entity subject to joint control pursuant to article 93 of Legislative Decree no. 58 dated 24 February 1998, may not present or be involved in the presentation, either by proxy or trust company, of more than one list and may not vote on lists other than the one presented. Participating, either directly or indirectly, in the indication of applicants present in more than one list shall imply that these lists shall be deemed to have not been submitted.

For the purposes of the preceding subsection ~~paragraph~~, entities, even those without a corporate status, which exercise direct or indirect control pursuant to article 93 of Legislative Decree no. 58 of 24 February 1998 over the shareholder in question and all the companies controlled directly or indirectly by those entities are deemed to belong to the same group.

Each candidate may appear in one list, under pain of ineligibility.

Only those shareholders with voting rights who, separately or together with other shareholders, are holders of shares representing at least the percentage of share capital established by the applicable legislation in force at the time, are entitled to submit lists. The percent interest required to submit lists of candidates for the appointment of the Board of Directors is specified in the notice of call of the Shareholders' Meeting called to resolve on the appointment of said body.

The lists must be filed at the company's registered office and at the management company at least 25 (twenty-five) days prior to the date planned for the Shareholders' Meeting called to resolve on the appointment of the management body and be made available to the public at the registered office, at the management company, on the Company's website and with the other means stipulated under applicable legal and regulatory provisions at least 21 (twenty-one) days prior to the date set for the Shareholders' Meeting on single or first call. The lists indicate which directors are in possession of the requirements of independence stipulated by law and these Articles of Association. Each list must contain at least three candidates, of whom at least two are in possession of the requirements of independence established by law and the Articles of Association. Moreover, each list must include candidates of different genders, including for individual independent candidates, according to what is stated in the Shareholders' Meeting notice of call, so as to enable the Board of Directors to be formed pursuant to the provisions of the Articles of Association regarding gender equality.

The holding of the minimum share necessary to submit lists under this paragraph is determined having regard to the shares which are registered to the shareholder on the day in which these lists are filed at the company's registered office. In order to prove ownership of the number of shares required to submit lists, shareholders putting forward lists have to submit or send to the registered office a copy of the appropriate certificate issued by a legally authorised intermediary proving ownership of the number of shares required for the submission of the list issued at least twenty-one days before the Shareholders' Meeting called to approve the appointment of the members of the Board of Directors. Each list submitted must include: a) information regarding the shareholders who have presented the list and the percentage of shares held; b) the

declarations in which each candidate accepts the nomination (in the case of candidates positioned at sequential number “1” on each list, they also accept the nomination for the position of Chairperson of the Board of Directors) and declare, under their own responsibility that there are no causes of ineligibility or incompatibility, and that the requirements of professionalism and integrity and any other requirement stipulated under current laws and these Articles of Association for undertaking the position are met; c) declarations of independence issued pursuant to the applicable provisions of laws, regulations and these Articles of Association; as well as d) the CV of each candidate, containing extensive information of the individual’s personal and professional characteristics, indicating the management and control positions covered.

Any list that does not meet the above requirements shall be deemed not to have been filed.

Each shareholder has the right to vote for one list. Where a vote is made for several lists, the vote shall be deemed as not having been cast for any of them.

The election of the Board of Directors shall take place as follows:

- a) all directors to be appointed, less one, are drawn from the list that obtains the majority of votes (majority list), in the sequential order in which they are listed on that same list, and pursuant to art. 10.3 in compliance with the minimum number of directors in possession of the independence requirements under art. 10.3 below; the candidate positioned at sequential number “1” is appointed Chairperson of the company’s Board of Directors;
- b) the last member of the Board of Directors is drawn from the minority list that receives the highest number of votes after the list referred to in subparagraph a), which is not connected in any way, even indirectly, with that list and/or with the shareholders who submitted or voted for the majority list, on the basis of the sequential order of that list. That member must be in possession of the independence requirements pursuant to art. 10.3 below.

To this end, however, lists that do not obtain a percentage of votes equal to at least half of that required for the submission of lists, referred to in subsection six of this paragraph, shall not be taken into account.

10.3 The directors must meet the requirements of professionalism and integrity and any other requirement under the regulations in force and these Articles of Association. In addition, a number of directors not less than that required by the regulations in force, with rounding up to the nearest whole in the case of a fractional number, must meet the independence requirements established in regulations in force from time to time, as well as the Code of Conduct to which the company adheres.

The loss of the requirements for the position will entail dismissal. However, the loss of the above independence requirements in relation to a director, notwithstanding the obligation to immediately notify the Board of Directors, shall not lead to dismissal if the requirements are still met by the remaining minimum number of directors pursuant to regulations in force and these Articles of Association.

If the candidates elected in the manner described above do not ensure the appointment of a number of directors who meet the independence requirements provided for above equal to the

minimum number established by law and these Articles of Association in relation to the total number of directors, the non-independent candidate elected last in sequential order in the majority list, will be replaced by the first independent candidate in sequential order not elected from the same list, or, failing that, by the first independent candidate in sequential order not elected from the minority list. This replacement procedure will be followed until the number of independent directors to be appointed is reached.

Without prejudice to compliance with the minimum number of directors in possession of the independence requirements as stipulated above, where the candidates elected in the manner indicated above in the composition of the Board of Directors do not ensure compliance with the provisions of the Articles of Association in relation to gender equality, the candidate of the most represented gender elected last in sequential order in the majority list, shall be replaced by the first candidate of the least represented gender in sequential order not elected from the same list, or, failing this, by the first candidate of the least represented gender in sequential order not elected from the minority list. This replacement procedure will be carried out until the Board of Directors is compliant with the provisions of the Articles of Association in respect of gender equality.

In the event of there being only one list that is presented and allowed, all the candidates on this list shall be elected, but ensuring the nomination of directors in possession of the independence requirements at least in the overall number required under current laws and these Articles of Association, and also in compliance with the provisions of the Articles of Association on gender equality. Where no list is submitted or allowed, the Shareholders' Meeting shall resolve according to the legal majority without following the procedure referred to above. This is notwithstanding, however, different and other provisions provided under mandatory and statutory laws. In any event, there shall be compliance with the minimum number of independent directors and with the provisions of the Articles of Association on gender equality. 10.4 The members of the management body shall remain in office for three financial years (their office shall end on the date of the Shareholders' Meeting called to approve the financial statements for the last year of their office) or for any shorter period which may be established by the Shareholders' Meeting at the time of appointment. Directors may be re-elected.

Where during the financial year one or more directors become unavailable, provided that the majority remains composed of directors appointed by the Shareholders' Meeting, the Board of Directors may replace such unavailable directors through a resolution approved by the Board of Statutory Auditors as follows:

a) the Board of Directors shall arrange replacement from among candidates in the same list as the one to which the unavailable director belonged, and the Shareholders' Meeting, pursuant to paragraph 1 of article 2386 of the Italian Civil Code, shall resolve by legal majority voting in

compliance with the same criterion;

b) where the list does not contain previously non-elected candidates or candidates with the necessary requirements, or else when for any reason it is not possible to comply with the provisions under letter a), the Board of Directors shall proceed with replacement as subsequently approved by the Shareholders' Meeting, pursuant to paragraph 1 of article 2386 of the Italian Civil Code, with legal majority voting without list voting.

In any case, the Board of Directors and the Shareholders' Meeting, pursuant to paragraph 1 of article 2386 of the Italian Civil Code, shall appoint the directors so as to ensure the presence of directors in possession of the requirements of independence under paragraph 10.3 at least in the overall minimum number required by current laws and these Articles of Association, and to ensure compliance with the provisions of the Articles of Association in respect of gender equality.

Pursuant to article 2386, paragraph 1 of the Italian Civil Code, directors appointed as above shall remain in office until the next Shareholders' Meeting and those appointed by the Shareholders' Meeting shall remain in office for the term in which the directors they replaced would have remained in office.

10.5 If the majority of the members of the management body appointed by Shareholders' Meeting resolution ceases to hold office, the entire management body shall cease from the time when the new body is appointed. The directors remaining in office shall urgently convene the Shareholders' Meeting for an entirely new body to be appointed, and they may in the meantime perform acts of ordinary management.

In any case, the Board of Directors has the power to control and take over delegated operations, as well as the authority to revoke such delegation, it being understood that the delegated bodies are nevertheless required to report to the Board of Directors and the Board of Statutory Auditors at least on a quarterly basis.

16.3 The members of the management body are entitled to be reimbursed for expenses incurred as a result of their office, including travel and transfer expenses, and to a fee determined by the Shareholders' Meeting at the time of appointment.

The remuneration of directors serving as Chairperson, Deputy Chairperson (if appointed), CEO, or Board members who are entrusted with special tasks and members of the Executive Committee is established by the Board of Directors, upon the advice of the Board of Statutory Auditors, as well as upon the proposal of any internal committee established for this purpose, in compliance with the remuneration and incentive policies determined by the Shareholders' Meeting.

The Shareholders' Meeting may determine an overall amount for the remuneration of all directors, including those vested with special tasks, and of the general manager, if appointed pursuant to article 10.7 of these Articles of Association.

16.4 The corporate responsibility actions provided under article 2393-bis of the Italian Civil Code may be exercised by shareholders representing at least 1/40 (a fortieth) of the share capital.

Article 17: Board of Statutory Auditors

17.1 The Shareholders' Meeting appoints three standing auditors and two alternate auditors who remain in office for three financial years, may be re-elected and end their term of office on the date of the Shareholders' Meeting called to approve the financial statements for the third financial year of their term of office.

In accordance with the need to ensure an adequate degree of diversification in composition in terms of skills, experience, age, international profile and gender, at least one of the standing auditors and one of the alternate auditors (or any higher number prescribed by regulations in force from time to time) from the Board of Statutory Auditors must be of the least represented gender.

The Statutory Auditors cease to hold office upon expiry of their term when a new Board of Statutory Auditors is established. The law and the provisions of these Articles of Association apply in respect of the appointment, dismissal and replacement of the Statutory Auditors.

17.2 The Statutory Auditors must meet the requirements of professionalism, integrity and

independence prescribed under the regulations in force from time to time, including those set forth in Decree by the Ministry of Justice no. 162 dated 30 March 2000, as well as those envisaged by the Code of Conduct to which the company has adhered. Pursuant to the provisions of article 1, paragraph 2, letters b) and c) of that Decree, issues concerning the financial, credit and insurance sectors shall be considered to be strictly relating to the company's business. The Statutory Auditors may hold offices as members of management and control bodies in other companies within the limits laid down by the applicable provisions.

17.3 Furthermore, in addition to those grounds provided for by law, being tied to the company by an ongoing independent contracting or employment relationship, or any relationship involving the direct or indirect supply of goods and/or services, being a member of a management body of another bank or company whose business is in competition with that of the company, or being tied to such other bank or company by an ongoing independent contracting or employment relationship, are all grounds for dismissal or ineligibility.

17.4 The Statutory Auditors may not hold offices other than those of control at other companies belonging to the Group or to the financial conglomerate, or at companies in which the company, including indirectly, holds a strategic interest.

17.5 In order to ensure that non-controlling shareholders may elect a standing auditor and an alternate auditor, the appointment of the Board of Statutory Auditors is based on lists presented by shareholders in which the candidates are listed in sequential order. The list is comprised of two sections: one for candidates for the position of standing auditor, the other for candidates for the post of alternate auditor.

Lists which have a number of candidates equal to or greater than three must also include candidates of a different gender, as specified in the Shareholders' Meeting notice of call, so as to allow the Board of Statutory Auditors to be set up in accordance with the provisions of the Articles of Association regarding gender equality.

Only those shareholders with voting rights who, separately or together with other shareholders, are holders of shares representing at least the percentage of share capital established by Consob (National Regulatory Body for Italian Companies and the Stock Exchange) are entitled to submit lists.

The percent interest required to submit lists of candidates for the appointment of the Board of Statutory Auditors is specified in the notice of call of the Shareholders' Meeting called to resolve on the appointment of said body.

The holding of this minimum share necessary to submit lists is determined having regard to the shares which are registered to the shareholder on the day in which these lists are filed at the company's registered office. In order to prove the ownership of the number of shares required to submit lists, the shareholders who present or are involved in submitting lists, must submit or deliver to the registered office a copy of the appropriate certificate issued by an authorised intermediary pursuant to law, issued within the period laid down for the publication of the lists. Each shareholder, including shareholders belonging to the same group, parties to a shareholders' agreement pursuant to article 122 of Legislative Decree no. 58 dated 24 February 1998, the entity

controlling it, subsidiaries and companies subject to joint control pursuant to article 93 of Legislative Decree no. 58 dated 24 February 1998, may not submit or be involved in the submission of, either by proxy or trust company, more than one list and may not vote for different lists, and each candidate can only appear in one list under penalty of being declared ineligible. For the purposes of the preceding paragraph, entities, even those without a corporate status, which exercise direct or indirect control pursuant to article 93 of Legislative Decree no. 58 of 24 February 1998 over the shareholder in question and all the companies controlled directly or indirectly by those entities are deemed to belong to the same group.

In the event of any breach of these provisions, no regard shall be had, for the purposes of the application of this article, of the position of the shareholder in question in relation to none of the lists.

Without prejudice to the incompatibilities provided by law, candidates acting as statutory auditors in another 5 (five) issuers, or in violation of any limits on concurrent positions established by applicable provisions of laws or regulations, and persons who do not meet the personal integrity and professionalism requirements established by applicable provisions of laws or regulations, cannot be included in the lists. Outgoing statutory auditors may be re-elected. The lists must be filed at the company's registered office at least 25 (twenty-five) days prior to the date for the Shareholders' Meeting called to resolve on the appointment of the control body and made available to the public at the registered office, on the company's website and with the other means stipulated under applicable legal and regulatory provisions at least 21 days prior to the Shareholders' Meeting. This shall be mentioned in the notice of call. In case only one list has been submitted within this period of 25 (twenty-five) days, or in case there are only lists presented by related shareholders pursuant to current laws and regulations, lists may be submitted up to the third day subsequent to this date, unless a different term is stipulated under the applicable laws and regulations. In this case, the shareholders who - individually or jointly - are owners of shares representing half of the capital threshold previously identified shall be entitled to submit lists.

The following must be filed, along with each list, by the deadlines indicated above: i) information concerning the identity of the shareholders who presented the list and the total percent interest held by those shareholders; ii) declarations whereby individual candidates accept their candidacy and attest, under their own responsibility, that there are no grounds for them to be considered ineligible or disqualified, including with reference to the limit on concurrent positions, and the satisfaction of the requirements established by laws, regulations and the Articles of Association for the respective positions; iii) a declaration by shareholders other than the shareholders who, individually or jointly, hold a controlling or relative majority interest, attesting to the absence of relationships of association, as defined in applicable laws and regulations, with such shareholders; and iv) the CV of each candidate, containing thorough information about each candidate's personal and professional characteristics, as well as an indication of management and control positions filled at other companies.

Any list that does not meet the above requirements shall be deemed not to have been filed.

Statutory Auditors are elected as follows:

- a) two standing Statutory Auditors and one alternate Statutory Auditor are drawn from the list that obtained the greatest number of votes at the Shareholders' Meeting, on the basis of the sequential numbering with which they are listed in the sections of the list;
- b) the remaining standing Statutory Auditor and the other alternate Statutory Auditor are drawn from the second list that obtained the greatest number of votes at the Shareholders' Meeting and is not associated, directly or indirectly, with the list indicated in point a) above and/or with the shareholders who submitted or voted for the majority list, according to the sequential numbering with which they are listed in the sections of the list;
- c) in the event of a tie between lists, the list submitted by the shareholders with the greatest equity interest, or, subordinately, by the greatest number of shareholders, will prevail;
- d) where the Board of Statutory Auditors thus constituted does not ensure compliance with the provisions of the Articles of Association in respect of gender equality, the last candidate elected from the majority list shall be replaced by the first candidate not elected from the same list belonging to the least represented gender or, failing this, by the first candidate not elected from the successive lists. Where this is not possible, the standing member of the least represented gender is appointed by the Shareholders' Meeting with legal majority, to replace the last candidate from the majority list;
- e) where a single list or no list is presented and admitted, all the candidates for the positions indicated in the list or, respectively, those voted by the Shareholders' Meeting shall be elected standing and alternate Statutory Auditors, provided that these achieve the relative majority of votes expressed at the Meeting. All this is subject to compliance with the provisions of the Articles of Association in respect of gender equality.

The chair of the Board of Statutory Auditors is assumed by the first candidate on the second list (where submitted and admitted) that obtained the greatest number of votes.

When the requirements set forth by the law and the Articles of Association are not met anymore, the Statutory Auditor shall be removed from office.

Where a Statutory Auditor is replaced, the alternate Statutory Auditor belonging to the same list shall take over. If the replacement does not allow compliance with the provisions of the Articles of Association on gender equality, the Shareholders' Meeting shall be convened as soon as possible in order to ensure compliance with these provisions.

When the Shareholders' Meeting is to appoint the standing and/or alternate Statutory Auditors needed to make up the Board of Statutory Auditors, it shall proceed as follows: when it is to replace the Statutory Auditors elected in the majority list, the appointment comes about on the basis of legal majority voting without any constraints connected with the lists; when, on the other hand, Statutory Auditors elected from the minority list are to be replaced, the Shareholders' Meeting replaces them by legal majority voting, choosing from the candidates indicated in the list to which the Statutory Auditor to be replaced belonged, or in the minority list which won the second highest number of votes. Where the application of these procedures does not, for any

reason, allow the replacement of the Statutory Auditors designated by non-controlling shareholders, the Shareholders' Meeting shall proceed on the basis of legal majority voting. However, when ascertaining the results of this latter vote, the votes from shareholders who, according to the communication given pursuant to current provisions, hold, including indirectly or even jointly with other shareholders parties to a relevant shareholders' agreement pursuant to article 122 of Legislative Decree no. 58 dated 24 February 1998, the majority of votes to be exercised at the Shareholders' Meeting, as well as shareholders who control, are controlled or are subject to joint control by the latter, shall not be calculated. The newly-appointed Statutory Auditors will cease together with those in post. All this is subject to compliance with the provisions of the Articles of Association in respect of gender equality.

The ordinary Shareholders' Meeting sets the annual remuneration due to each Statutory Auditor pursuant to the regulations currently in force. Statutory Auditors shall also be reimbursed, on a lump-sum basis, for the expenses incurred in their work.

17.6 Statutory Auditors shall not be paid any fee based on the financial instruments and linked to the financial management results.

17.7 The Board of Statutory Auditors, in performing all the functions demanded of it in compliance with the laws and regulations in force, monitors:

- a) compliance with the laws, regulations and Articles of Association;
- b) compliance with the principles of proper management;
- c) the suitability of the organisational, management and accounting structure adopted by the company and its actual operations;
- d) the suitability and operation of the internal control system with specific regard to risk control;
- e) the other actions and facts set forth by the laws and regulations.

The Board of Statutory Auditors checks and investigates causes and remedies for management irregularities, performance anomalies, gaps in the organisational and accounting structure, and pays particular attention to compliance with the regulations concerning conflicts of interest.

17.8 In particular, the Board of Statutory Auditors ascertains that there is adequate coordination between all the departments and structures involved in the internal control system, including the Independent Auditors tasked with the statutory audit of the accounts, by promoting, where appropriate, adequate corrective measures.

17.9 For the purposes of article 17.8 above: a) the Heads of the Internal Audit, Risk Management and Compliance Departments send their respective reports to the Board of Statutory Auditors; b) the Board of Statutory Auditors and the Independent Auditors constantly exchange data and relevant information in order to complete the related tasks.

17.10 The Board of Statutory Auditors periodically checks its own adequacy in terms of powers, functioning and composition, taking account of the size, complexity and activities carried out by the company.

17.11 Statutory Auditors can call upon, in carrying out the necessary checks and investigations, the structures and departments responsible for internal control, and also carry out, at any time, including individually, inspections and audits.

17.12 The Board of Statutory Auditors may ask the directors and all the internal control departments for news about the progress of business operations and about specific business operations, including with reference to subsidiaries. It may exchange information with the corresponding bodies of the subsidiaries in relation to the systems of management and control and on the general progress of business operations.

17.13 In order to correctly carry out its duties, and in particular in order to meet its obligation to promptly report to the Bank of Italy any facts or acts it becomes aware of that may constitute a management irregularity or a breach of the provisions of law governing the banking business, and, more generally, where provided, to report to other Supervisory Authorities in relation to management irregularities or breaches of laws and regulations, the Board of Statutory Auditors is vested with the broadest powers set forth by legal and statutory provisions.

17.14 The Board of Statutory Auditors, which must meet at least every ninety days, is convened by the Chairperson of the Board of Statutory Auditors by means of a notice to be sent at least eight days before the meeting to each Statutory Auditor and, in the event of an emergency, at least three days in advance. The notice may be drafted on any medium (hard or soft copy) and may be sent using any means of communication (including fax and e-mail).

The Board of Statutory Auditors is also validly constituted and able to resolve where, even if these formalities have not been carried out, all its members are in attendance.

17.15 The meetings of the Board of Statutory Auditors may also be held with participants in multiple locations, either in the vicinity or at a distance, attending by means of audio and video or audio-only connection, provided that the collegial method and the principles of good faith and equal treatment of participants are observed. In this case, it is required that:

- a) the Chairperson is able to unequivocally ascertain the identity and right to attend of the participants, conduct the meeting and note and declare the results of the voting procedure;
- b) the person taking the minutes is able to adequately follow the events of the meeting;
- c) the participants are able to exchange documentation and also take part in the discussions and vote on the agenda items in real time.

17.16 The Board of Statutory Auditors is subject to a regular process of self-assessment, based on the criteria and means set out in the regulations that are applicable at the time.

This same Board of Directors shall also have the power to revoke the Manager in charge of financial reporting. The remuneration of the Manager in charge of financial reporting is set by the Board of Directors.

25.2 The amendments to art. 10 of these Articles of Association, as approved by the extraordinary Shareholders' Meeting on 23 April 2020, shall be effective as of the date of publication of the notice of call to the Shareholders' Meeting called to resolve on the first renewal of the Board of Directors after the date of that resolution.

25.3 The version of art. 10-bis transcribed below shall apply on a transitional basis up to the date of entry into force of art. 25.2 above.

Article 10-bis: Board of Directors

10.1 The company is managed by a Board of Directors appointed by the Shareholders' Meeting and composed of 9 members who:

- a) bring to the company the specific skills they possess;
- b) are aware of the tasks and responsibilities of their role and are in possession of the requirements set forth by law and regulations in force at the time;
- c) act and resolve with full knowledge of the facts and autonomously in pursuit of the aim of creating value for shareholders;
- d) only accept the position when they believe they are able to dedicate the time needed to diligently carry out their tasks, also being mindful of the number of positions of director or statutory auditor they have in other companies or bodies;
- e) keep the information acquired as a result of the office held as confidential.

10.2 Current laws and the provisions of these Articles of Association apply to the appointment, dismissal and replacement of members of the Board of Directors.

In order to appoint or co-opt directors, the Board of Directors initially identifies the qualitative and quantitative composition deemed optimal in relation to the aims to be pursued, by identifying and justifying the theoretical profile of the candidates considered appropriate to these ends. The results of this analysis must be shown in the notice of call of the Shareholders' Meeting convened to appoint directors so that shareholders, in choosing candidates, can take into account the professional skills required. This is notwithstanding the possibility for shareholders to make their own assessments on the optimal composition of the Board of Directors and to bring forward candidates commensurate with these, explaining any differences with regard to the analysis carried out by the Board. Subsequently, the Board of Directors checks the consistency of the qualitative and quantitative composition deemed optimal with the one actually resulting from the appointments process.

The Members of the Board of Directors are elected using the list system in which a minimum of three and maximum of nine candidates must be listed in sequential order. The candidate at sequential number "1" of each list shall also be the candidate appointed as Chairperson of the Board of Directors.

Any shareholder, as well as shareholders belonging to the same group, parties to a shareholders' agreement pursuant to article 122 of Legislative Decree no. 58 dated 24 February 1998, the entity controlling it, the entity by which it is controlled and the entity subject to joint control pursuant to article 93 of Legislative Decree no. 58 dated 24 February 1998, may not present or be involved in the presentation, either by proxy or trust company, of more than one list and may not vote on lists other than the one presented. Participating, either directly or indirectly, in the indication of applicants present in more than one list shall imply that these lists shall be deemed to have not been submitted.

For the purposes of the preceding paragraph, entities, even those without a corporate status, which exercise direct or indirect control pursuant to article 93 of Legislative Decree no. 58 of 24

February 1998 over the shareholder in question and all the companies controlled directly or indirectly by those entities are deemed to belong to the same group.

Each candidate may appear in one list, under pain of ineligibility. Only those shareholders who, together or separately, are holders of shares representing at least 2.5% (two point five per cent) - or any other lower percentage established by the legislation currently in force - of the capital giving right to vote on Shareholders' Meeting resolutions that relate to the appointment of members of the management body, are entitled to submit lists.

The lists must be filed at the company's registered office and at the management company at least 25 (twenty- five) days prior to the date planned for the Shareholders' Meeting called to resolve on the appointment of the management body and be made available to the public at the registered office, at the management company, on the Company's website and with the other means stipulated under applicable legal and regulatory provisions at least 21 (twenty-one) days prior to the date set for the Shareholders' Meeting on first call. The lists indicate which directors are in possession of the requirements of independence stipulated by law and these Articles of Association. Each list must contain at least three candidates, of whom at least two are in possession of the requirements of independence established by law and the Articles of Association. Moreover, each list must include candidates of different genders, including for individual independent candidates, in accordance with the Shareholders' Meeting notice of call, so as to enable the Board of Directors to be composed pursuant to current regulations regarding gender equality.

The holding of the minimum share necessary to submit lists under this paragraph is determined having regard to the shares which are registered to the shareholder on the day in which these lists are filed at the company's registered office. In order to prove ownership of the number of shares required to submit lists, shareholders putting forward lists have to submit or send to the registered office a copy of the appropriate certificate issued by a legally authorised intermediary proving ownership of the number of shares required for the submission of the list issued at least twenty-one days before the Shareholders' Meeting called to approve the appointment of the members of the Board of Directors. Each list submitted must include: a) information regarding the shareholders who have presented the list and the percentage of shares held; b) the declarations in which each candidate accepts the nomination (in the case of candidates positioned at sequential number "1" on each list, they also accept the nomination for the position of Chairperson of the Board of Directors) and declare, under their own responsibility that there are no causes of ineligibility or incompatibility, and that the requirements of professionalism and integrity and any other requirement stipulated under current laws and these Articles of Association for undertaking the position are met; c) declarations of independence issued pursuant to the applicable provisions of laws, regulations and these Articles of Association; as well as d) the CV of each candidate, containing extensive information of the individual's personal and professional characteristics, indicating for which theoretical profile he/she is suitable and the management and control positions covered.

Any list that does not meet the above requirements shall be deemed not to have been filed. Each shareholder has the right to vote for one list. Where a vote is made for several lists, the vote shall be deemed as not having been cast for any of them.

The election of the Board of Directors shall take place as follows:

- a) from the list that obtains the majority of votes (majority list) a number of directors equal to six are elected, of which at least one is in possession of the independence requirements pursuant to art. 10.3; candidates are elected on the basis of the sequential order shown by the list; the candidate positioned at sequential number "1" is appointed Chairperson of the company's Board of Directors;
- b) two directors, of which at least one in possession of the independence requirements pursuant to art. 10.3, will be taken from the list, if any, that receives the highest number of votes after the list referred to in subparagraph a), which is not connected in any way, even indirectly, with that list and/or with the shareholders who submitted or voted for the majority list; candidates in the sequential order shown by the list are elected within those limits;
- c) a director in possession of the independence requirements pursuant to art. 10.3 will be taken from the list, if any, which receives the highest number of votes after the list in b), which is not connected in any way, even indirectly, with previous lists and/or the shareholders who submitted or voted for the previous lists; the first candidate in the sequential order of the list who meets the independence requirements pursuant to art. 10.3 is elected. In the event that only two lists have been submitted and allowed, the remaining independent director will be chosen from the list referred to in point b).

To this end, however, lists that do not obtain a percentage of votes equal to at least half of that required for the submission of lists, referred to in subsection six of this paragraph, shall not be taken into account.

10.3 The directors must meet the requirements of professionalism and integrity and any other requirement under the regulations in force and these Articles of Association. In addition, at least three directors, and in any event a number of directors not less than that required by the regulations in force, must meet the independence requirements of art. 148, paragraph 3, of Legislative Decree no. 58 dated 24 February 1998, as well as those envisaged in the Code of Conduct to which the company adheres. The loss of the requirements for the position will entail dismissal. However, the loss of the above independence requirements in relation to a director, notwithstanding the obligation to immediately notify the Board of Directors, shall not lead to dismissal if the requirements are still met by the remaining minimum number of directors pursuant to regulations in force and these Articles of Association.

If the candidates elected in the manner described above do not ensure the appointment of a number of directors who meet the independence requirements provided for above equal to the minimum number established by law and these Articles of Association in relation to the total number of directors, the non-independent candidate elected last in sequential order in the list that received the highest number of votes referred to in letter a) of paragraph 10.2, subsection 11, will be replaced by the first independent candidate in sequential order not elected from the

same list, or, failing that, by the first independent candidate in sequential order not elected from the other lists, according to the number of votes obtained by each. This replacement procedure will be followed until the number of independent directors to be appointed is reached.

Without prejudice to compliance with the minimum number of directors in possession of the independence requirements as stipulated above, where the candidates elected in the manner indicated above in the composition of the Board of Directors do not ensure compliance with the regulations in force in relation to gender equality, the candidate of the most represented gender elected last in sequential order in the list that received the highest number of votes pursuant to letter a) of paragraph 10.2, subsection 11, shall be replaced by the first candidate of the least represented gender in sequential order not elected from the same list, or, failing this, by the first candidate of the least represented gender in sequential order not elected from the other lists, according to the number of votes obtained by each. This replacement procedure will be carried out until the Board of Directors is compliant with the current regulations in respect of gender equality.

In the event of there being only one list that is presented and allowed, all the candidates on this list shall be elected, but ensuring the nomination of directors in possession of the independence requirements at least in the overall number required under current laws and these Articles of Association, and also in compliance with current laws on gender equality. Where no list is submitted or allowed, the Shareholders' Meeting shall resolve according to the legal majority without following the procedure referred to above. This is notwithstanding, however, different and other provisions provided under mandatory and statutory laws. In any event, there shall be compliance with the minimum number of independent directors and the current laws on gender equality. For the appointment of directors who for whatever reason are not nominated pursuant to the procedures given above, the Shareholders' Meeting shall resolve by legal majority voting so as to ensure that the composition of the Board of Directors is compliant with the law and these Articles of Association, and also complies with current laws in respect of gender equality.

10.4 The members of the management body shall remain in office for three financial years (their office shall end on the date of the Shareholders' Meeting called to approve the financial statements for the last year of their office) or for any shorter period which may be established by the Shareholders' Meeting at the time of appointment. Directors may be re-elected.

Where during the financial year one or more directors become unavailable, provided that the majority remains composed of directors appointed by the Shareholders' Meeting, the Board of Directors may replace such unavailable directors through a resolution approved by the Board of Statutory Auditors as follows:

- a) the Board of Directors shall arrange replacement from among candidates in the same list as the one to which the unavailable director belonged, and the Shareholders' Meeting, pursuant to paragraph 1 of article 2386 of the Italian Civil Code, shall resolve by legal majority voting in compliance with the same criterion;
- b) where the list does not contain previously non-elected candidates or candidates with the

necessary requirements, or else when for any reason it is not possible to comply with the provisions under letter a), the Board of Directors shall proceed with replacement as subsequently approved by the Shareholders' Meeting, pursuant to paragraph 1 of article 2386 of the Italian Civil Code, with legal majority voting without list voting.

In any case, the Board of Directors and the Shareholders' Meeting, pursuant to paragraph 1 of article 2386 of the Italian Civil Code, shall appoint the directors so as to ensure the presence of directors in possession of the requirements of independence under paragraph 10.3 at least in the overall minimum number required by current laws and these Articles of Association, and to ensure compliance with current laws in respect of gender equality.

Pursuant to article 2386, paragraph 1 of the Italian Civil Code, directors appointed as above shall remain in office until the next Shareholders' Meeting and those appointed by the Shareholders' Meeting shall remain in office for the term in which the directors they replaced would have remained in office.

10.5 If the majority of the members of the management body appointed by Shareholders' Meeting resolution ceases to hold office, the entire management body shall cease from the time when the new body is appointed. The directors remaining in office shall urgently convene the Shareholders' Meeting for an entirely new body to be appointed, and they may in the meantime perform acts of ordinary management.

10.6 The Chairperson of the Board of Directors is appointed by the Shareholders' Meeting as established in article 10.2 subsection 11, letter a) of these Articles of Association. Where no lists are presented and allowed, the Chairperson of the Board of Directors is appointed by the Shareholders' Meeting pursuant to the legal majority and procedures.

10.7 The Board of Directors appoints from among its members a CEO in accordance with the provisions of article 12.2, letter h). The Board of Directors has the option to assign the position of general manager to this same CEO. The position of general manager can be assigned exclusively to the CEO.

The Board of Directors has the option to appoint a Deputy Chairperson, in accordance with the provisions of art. 12.2 letter g), who shall have the power, in the case of the absence or incapacity of the Chairperson, to chair the Shareholders' Meeting and the Board of Directors' meetings.

10.8 The Board of Directors may also delegate its own powers to an Executive Committee.

10.9 The non-executive members of the Board of Directors bring their own specific skills to the Board discussions and contribute to the making of decisions. They are called upon to perform an important communicative function and to monitor the choices made by the executive members. The non-executive members shall acquire, also with the support of internal committees, information on the management and organisation of the company from management, the Internal Audit Department and other control departments. The non-executive members must in any case be actively involved in the tasks entrusted to them, also as far as time availability is concerned and take part in the processes of appointing and dismissing the

heads of internal control and risk management departments. They diligently and promptly perform any other activity incumbent upon them pursuant to legal and regulatory provisions in force at the time.

10.10 The Board of Directors also appoints a Secretary in the person of a director, senior manager or middle manager of the company or a substitute, or an external consultant.

10.11 The Board of Directors is subject to a regular process of self-assessment, based on the criteria and means set out in the regulations that are applicable at the time.
